Jean Hagan has owned, operated, and consulted in the restaurant industry for more than 30 years. During that time, she worked with a well-known national chain, owned a food & beverage company that operated multiple restaurants, bars, and event spaces in the Squaw Valley area; and became the president, CEO, CFO, and shareholder of one of the highest-grossing restaurants in California. Today Jean is the Principal and leader of the restaurant operations consulting practice at KROST.

Jean brings a unique skill set to our CPA firm. With her extensive industry experience, she consults with our clients at the store operations and strategic management levels. Jean's expertise and drive has helped us develop our consulting practice to include services such as, P&L coaching, restaurant openings, systems automation, business management, sequence of service, check average analysis, management bonus structures, labor & related costs analysis, POS systems analysis, flash reporting implementation and analysis, and much more.
