Jeff Kamin is a Senior Manager in the M&A and Capital Markets departments at KROST. He has been with the firm since June 2014 and has been in public accounting for over 15 years. Jeff focuses M&A advisory and due diligence for sell-side and buy-side transactions, as well as non-transactional work primarily related to quality of earnings and valuation services. Prior to joining the M&A team, Jeff was part of the KROST accounting team where his focus was on financial reporting and accounting consulting for a wide variety of industries. His extensive background in accounting and financial analysis is an important skillset in helping closely-held private companies get their books and records ready for the due diligence process.
