Rebecca Hickle is an Assurance & Advisory Senior Manager at KROST. Rebecca has been with the A&A department for five years. She is passionate about using her skills to elevate what is possible for her clients so that together, they can create opportunities that have the greatest impact. With her passion for helping clients succeed, Rebecca has developed expertise in many areas, including sustainable brands, inclusive companies, digital marketing, technology, and more.

She prides herself on being a technical resource for her clients, particularly in areas such as process improvement, GAAP guidance and implementation, internal controls, and audit preparation.

In her free time, Rebecca likes to cook and make pasta.

Education

- Bachelor of Science, Business Administration in Accounting, University of California, Southern California
