Sossi Bekarian Matti is an Accounting Director at KROST. She has been with the firm since 2016 and has experience catering to clients across a variety of industries, including manufacturing, high-net-worth individuals, entertainment, professional services, medical, technology, hospitality, and more.

She specializes in Client Accounting Services (CAS) and financial consulting. This entails conducting comprehensive reviews of financial statements, performing variance analysis, and engaging in discussions to offer invaluable financial insights. Additionally, she excels in streamlining end-user internal processes, ensuring optimized efficiency and remarkable results for her clients.
