Steve Chhuor is an Assurance & Advisory Director at KROST. As a trusted advisor with over a decade of experience, Steve specializes in audit and business advisory services to emerging and middle-market companies in areas such as technical GAAP accounting implementation and process improvement. Further, he has expertise in many industries, including manufacturing and distribution, real estate and construction, financial services, digital media, restaurants, hospitality, not-for-profit organizations, and employee benefit plans.

Steve is recognized as a thought leader on business and accounting issues, having spoken at Pasadena City College as a panelist. He also sits on the Professional Advisory Board for Accounting Curriculum at Pasadena City College and regularly instructs continuing education courses for professional staff.
